The Future is Calling

Charlene Tait
Acting Chief Executive Officer
Scottish Autism
Slide Title
Culture

- Language & Terminology
- Imagery
- Narrative
Context

- “Status” of supported people
- “Policy whimsy”
- Lack of service based research
• Systemic inflexibility

• Concepts of “caring” & staff roles
  “Cheerleaders” (Joanna Panese)

• Training – transmission model
Innovation in Services

• Ethical underpinning (VIP – Scottish Autism)
• Stress reduction & Wellbeing (Studio 3)
• Happiness
• Acceptance
• Experiences
• Practice based participatory research (PARC)
• Evidence – Personalised outcomes (R Mills)

• Mentoring – Synergy (AT-Autism)

• Reflective Practice (Autism Practice Improvement Framework)
